REGULATIONS FOR CLASSES 100 - 800

GENERAL

1. Competitors must read and comply with the rules and regulations governing the FCMF National Music Festival, as set out in the Syllabus and Regulations. If clarification or assistance is needed, please contact your Provincial Administrator or the Executive Director of the Federation of Canadian Music Festivals.
2. The National Music Festival is open to *non-professional musicians who are:
 - i. Eligible according to class description
 - ii. Stated ages as of December 31 preceding the festival
 - iii. Canadian citizens, or
 - iv. living or studying in Canada, who perform at festivals affiliated through affiliated Provincial Music Festival Associations or Local Stream Membership.

*A non-professional musician is defined as a person whose principal means of livelihood is not obtained from the performance of music in the particular category in which he or she is competing. This stipulation does not, however, preclude such a person from having occasionally received remuneration for musical services rendered, even in the area in which he or she is competing. The competitor's signature is required on a national entry form confirming non-professional status. It is recommended that Local Festivals also have competitors verify, by signature, their non-professional status.

**Competitors 14 years and under [at the time of the National Music Festival] must be accompanied by a parent/guardian to in-person events.

3. Competitors can only be recommended to their Provincial Festival or the Local Stream Qualifying Round from one affiliated Local Festival. No competitor can represent more than one province, in a single discipline.
4. A signed recommendation from the adjudicator is required before any competitor may advance from the Local Festival to the Provincial Festival or the Local Stream Qualifying Round, and on to the National Festival.
5. The submitted competitor entry form signifies knowledge of, and agreement with, the General Regulations.
6. Competitors are prohibited from contact with the adjudicators until competitions are completed.
7. All awards are awarded at the discretion of the adjudicators.
8. First-place Emerging Artist winners **are eligible** to compete in the same class at the National Music Festival. Winners of the Grand Award are not eligible to compete again, in the same class.
9. First-place Developing Artist winners **are eligible** to compete in the same class again if performing repertoire at a higher-grade level in succeeding years.
10. The Chair of the Federation of Canadian Music Festivals is the final authority in all matters.

LOCAL FESTIVALS

The maximum number of entries recommended from each Local Festival to compete at the Provincial Festival/Local Stream Qualifying Round [LSQR] in National Music Festival classes is determined by the Provincial Associations/FCMF for LSQR.

PROVINCIAL FESTIVALS and LOCAL STREAM QUALIFYING ROUND

1. Local Festival winners in Classes 100 through 800, if recommended by the adjudicator, are eligible to compete at the Provincial Festival or Local Stream Qualifying Round.
2. At the Provincial Level or Local Stream Qualifying Round of the competition, no marks are given.
3. Two winners in each Emerging Artist class, if recommended by the adjudicator, are eligible to compete in the National Music Festival. Alternates may be recommended at the discretion of the adjudicator should a satisfactory standard be attained.

4. Two winners in each Developing Artist class, if recommended by the adjudicator, are eligible to compete in the National Music Festival. Alternates may be recommended at the discretion of the adjudicator should a satisfactory standard be attained.
5. Each **member local festival** can send a maximum of ONE student per discipline to the virtual Non-Competitive Education Stream [NCES].
6. Provincial associations with more than 10,000 local entries are allowed to send 2 extra solo/chamber competitors to the National Music Festival; 3 extra competitors for those with more than 20,000 local entries, and four extra competitors for those with more than 30,000 local entries. Eligibility is based on the previous year's entries. The extra competitors are across the disciplines, not per discipline. Each province is permitted no more than one extra submission per discipline.
7. Adjudicator recommendation and information forms of Provincial/Qualifying Round winners [and alternates, if any] must be submitted to the FCMF within two weeks of the close of the Provincial Festival or by the entry closing date listed on the national registration form, whichever is earlier. Late or incomplete entries will not be accepted.

FCMF NATIONAL MUSIC FESTIVAL

1. Competitors recommended by adjudicators as outlined in the Provincial Music Festival and Local Stream Qualifying Round section above are eligible to participate in the FCMF National Music Festival.
2. If the Emerging Artist Stream competition is held as an in-person event, competitors are:
 - responsible for their own equipment [except pianos].
 - required to perform in the Grand Awards Competition when they place first in Classes 1 through 8
 - provided with practice rooms as well as an official rehearsal time in the performance hall.
 - given performance and masterclass adjudications following the conclusion of the competitions.
 - required to be in attendance at the National Music Festival from the Official Briefing through to the conclusion of the Grand Award Competition
 - advised to stay in the official accommodation from the evening of the competitor briefing to the end of the Grand Award Competition.
 - responsible for contact with, and payment for, their accompanists.
3. If the Emerging Artist Stream competition is held as an in-person event, the Federation of Canadian Music Festivals and the National Music Festival are not responsible for lost or damaged musical instruments.

PERFORMANCE REGULATIONS

IMPORTANT!

Local and provincial festival administrators should advise teachers and students to check the local, provincial, and national syllabi carefully when choosing music for festival entries. Administrators should also ensure their adjudicators are aware of class requirements when recommending students to the next level of competition.

Competitors must:

- perform the repertoire indicated on their official National Entry Form, which is to include all the repertoire performed for, and recommended by, the adjudicator at the Local and Provincial/Local Stream Qualifying Round Festivals. Entry forms must be submitted complete with the names and numbers of movements identified and the full name of the composer.
- provide proof of original scores or authorized copies of music containing solo and accompaniment in the proper key, one for the adjudicator and one for the accompanist. Legally downloaded music [receipt of purchase or proof of Public Domain] is permissible but it shall be printed double-sided and placed in a binder [not in sheet protectors] for the adjudicator. All copyrights must be observed.
- number the first bar of each line in both the solo part and the whole score.
- perform repertoire that meets the repertoire requirements outlined in their class description.
- submit a headshot or other suitable photo as a jpeg file with their registration.

1. Competitors are:

- Strongly encouraged to attend all events, such as competitor orientation, adjudication workshop/masterclass, and professional development workshops, if offered.
- allowed the number of performance minutes outlined in their class description. Exceeding the time limit will result in disqualification. The performance time begins with the first note/word and ends with the last note/word.
- advised to reflect a variety of styles and periods in their choice of repertoire. They are also encouraged to use compositions by Canadian and Indigenous composers in their performances.

2. Repetition of music is not allowed for competitors returning to the National Music Festival.

3. Memorization requirements are outlined in class descriptions. If playing with music, the competitor must use an original score or a digital score on a tablet as per the above guidelines.

4. Local festival adjudicators will be responsible for determining if ungraded works fall within the parameters of the class requirements. All other technical questions such as whether a musical is from a staged musical, memorization, appropriateness of spoken introductions, overall suitability of selections for the student, artistic interpretation, etc. would remain at the discretion of the national adjudicators.

5. Competitors are allowed to make brief introductory remarks for some, or all, of their selections performed in competition, if desired. Introductory remarks are included in their overall performance time.

6. Accompaniment is restricted to the piano unless otherwise indicated in the score.

7. Accompanists must have a legal score on stage. Accompanists are permitted to use digital scores on tablet computers such as iPads, provided they can clearly show at registration that copyright laws have been observed [receipt of purchase or proof of Public Domain]. All copyrights must be observed.

8. First Place Emerging Artist Winners must compete in the Grand Award Competition.

PROCEDURE TO QUALIFY FOR PARTICIPATION IN THE FCMF NATIONAL MUSIC FESTIVAL

- Before competing in the National Music Festival, groups must first qualify at an affiliated Local Music Festival in the province where they live or study. The majority of members must study or reside in the province they wish to represent.
- After attaining the required standard, groups must be recommended by the adjudicator[s] to proceed to the Provincial or Local Stream Qualifying Round level of competition. The winner in each class at the Provincial or Local Stream Qualifying Round level of competition is then eligible to compete in the National Music Festival if recommended by the adjudicator.
- Entries are submitted through the FCMF website by **June 30th**.
- The applicable entry fee is payable at the time of registration.
- Groups are responsible for covering the cost of their recording and accompanist for the National Music Festival.

PROCESS

The competition is conducted at three progressive levels:

Local Festival

The maximum number of entries recommended from each Local Festival to compete at the Provincial Festival/Local Stream Qualifying Round [LSQR] in National Music Festival classes is determined by the Provincial Associations/FCMF for LSQR.

Adjudicators at the Local Festival may choose, in each of the Choral or Ensemble categories, groups that are deemed to be of National standard. The competition is based on the performance of TWO CONTRASTING SELECTIONS, only ONE of which may include brief solo or solo ensemble passages. A signed recommendation along with recordings and a digital copy of the music scores must be submitted to the Provincial Administrator.

Provincial Festival and Local Stream Qualifying Round

Groups submitting recordings to the Provincial or Local Stream Qualifying Round level of competition must perform the same selections on which they were recommended by the adjudicator at the Local level. Adjudicators at the Provincial or Local Stream Qualifying Round level may choose, in each category submitted, **two** groups that are deemed to be of a national standard.

The adjudicator for each provincial music festival and the Local Stream Qualifying Round is allowed to send **2 extra groups**, chosen from across the classes within each section [choral, chamber ensembles, bands, orchestras], with no more than one extra submission per class. The signed recommendation along with the recording, a digital copy of the music scores, and the entry fee as outlined above must be submitted by **June 30th**.

National Festival

Groups submitting recordings to the National level of competition must perform the same selections on which they were recommended by the adjudicator at the Local and Provincial/Local Stream Qualifying Round levels. Recordings are adjudicated and the participants are notified.

FCMF engages nationally and/or internationally known musicians to adjudicate the National Music Festival.
