Official Regulations & Syllabus

Virtual Competition | June 13-17, 2024

Entry Deadline: June 3, 2024

Presented by The Federation of Canadian Music Festivals

NEW for 2024!!

- Participants are asked to respectfully consider the issue of cultural appropriation when choosing selections. “Cultural appropriation applies when cultural borrowings or adaptations from a minoritized culture reflect, reinforce, or amplify inequalities, stereotypes, and historically exploitative relationships that have direct negative consequences on equity-seeking communities.” [Canada Council Website] <https://canadacouncil.ca/funding/funding-decisions/decision-making-process/application-assessment/context-briefs/cultural-appropriation>
- Chamber Ensemble, Choir, Band, and Orchestra classes available in the **Ensemble Stream** [renamed from the Recorded Stream]. These are virtual competitions with adjudication workshops for Chamber Ensembles. A Conductor Roundtable will be offered for choir, band, and orchestra conductors. See class descriptions, pages 22-26.
- The maximum number of members in a Chamber Ensemble has been increased to nine [9], with no conductor.
- Each **member local festival** can send a maximum of **TWO** students per discipline to the virtual Non-Competitive Education Stream [NCES]. There is no LSQR requirement in order to participate in the NCES at the FCMF National Music Festival.

IMPORTANT!

Local festival administrators should advise teachers and students to check the local, provincial, and national syllabi carefully when choosing music for festival entries. Administrators should also ensure their adjudicators are aware of class requirements when recommending students to the Local Stream Qualifying Round of competition.

2024 FCMF LOCAL STREAM QUALIFYING ROUND SYLLABUS

June 13-18, 2024 | Virtual Competition

Entry Deadline: June 3, 2024

The Local Stream Qualifying Round is a virtual competition for recommended students or ensembles from Local Festivals affiliated with FCMF through the Local Association Membership Class to seek recommendations to the FCMF National Music Festival.

The Local Stream Qualifying Round is governed by the Federation of Canadian Music Festivals Board of Directors. It is administered by FCMF staff and/or volunteers.

Participants at the FCMF National Music Festival will represent the Local Stream Qualifying Round, not their province. Recognition of the local festival will be consistent with local festivals from provincial associations.

ELIGIBILITY

Local festivals affiliated with FCMF through the Local Association Membership Class may determine who represents them at the Local Stream Qualifying Round [LSQR] in one of two ways:

1. The Local Festival can add the LSQR classes to their syllabus and students or ensembles enter those classes if they are interested in being eligible for the LSQR. The local adjudicator would determine which student[s] or ensemble[s] should represent the festival in each class.
2. The local festival adjudicator could choose a student[s] or ensemble[s] from the appropriate grade and/or age levels for each class, making sure they have the eligible repertoire to meet the requirements of the class for which they are being recommended.

A sufficiently high standard of performance is required at the local festival for a recommendation to the [LSQR].

To be eligible to advance to the FCMF National Music Festival from LSQR, the competitor[s] must be residing in Canada or studying in Canada.

A local festival may send **TWO** competitors in each of the LSQR Developing Artist Stream, Emerging Artist Stream, Ensemble Stream, and Composition Stream classes.

Local Festival adjudicators may recommend **TWO** competitors in each Non-Competitive Education Stream class **directly** to the FCMF National Music Festival.

Local festivals are encouraged to have their adjudicator name one or more alternate competitors and complete the necessary paperwork, in case the first-choice competitors are unable to participate for any reason.

In disciplines with age requirements, the competitor's age will be determined as of December 31 prior to the LSQR. Local festivals must obtain proof of age if requested.

Participation is limited to non-professional musicians. A non-professional musician is defined as a person whose principal means of livelihood are not obtained from the performance of music in the category in which they are competing. This stipulation does not, however, preclude such a person from having occasionally received remuneration for musical services rendered, even in the area in which he or she is competing.

Competitors may only be recommended to the LSQR from ONE local festival per discipline. Each competitor must accept, or decline, a recommendation from a local festival within 48 hours.

An entry fee is non-refundable unless the entry is declined by FCMF. Once an entry has been accepted, no changes to the repertoire will be allowed unless required by the national office.

Alternates

Adjudicators may recommend alternates in any class if the standard of performance is met. If a registered competitor is unable to participate, the named alternate can replace the competitor. As much notice as possible should be given to the alternate and the FCMF office.

Entry fees are non-refundable unless an alternate has been named and registered. The original entry fee, less a \$25 administration fee, will be reimbursed to the originally registered participant. The alternate will be required to pay the entry fee in full prior to participation.

For Chamber groups, if a recommended competitor from the Local Festival level is unable to participate at the LSQR level, they can be replaced by an alternate. There is a maximum of one substitution permitted for each Chamber group.

REPERTOIRE

The minimum repertoire requirements to be performed at the LSQR, as outlined in the LSQR Syllabus, must have been heard by the recommending adjudicator at the Local Festival. This may be in a specifically designated LSQR/National Class or through a combination of performances in classes at the Local Festival. Competitors may add additional movements of their multi-movement works, and/or additional selections within the maximum time.

A Concerto or Concerted Work is defined as any composition written for a solo instrument with orchestral accompaniment.

Sonatinas, Sonatas, and Concertos can be from any music time period, as per syllabus requirements. A one-movement Sonata or Sonata meets the requirements for Junior and Intermediate levels.

A selection is a composition or song cycle that is meant to be one body of work as indicated by the composer. Competitors may choose to perform partial or complete works based on syllabus requirements and time restrictions. A second selection cannot be another movement or song from the same work.

In disciplines with graded repertoire requirements, competitors must indicate on their entry form the syllabus from which they determined the level of difficulty of their repertoire. Syllabi accepted as references for the LSQR are the Royal Conservatory of Music [RCM], Conservatory Canada [CC], or any other recognized national or regional conservatory syllabi.

In order to encourage the use of new music and preserve objectivity, we will also accept letters of grading from the Royal Conservatory of Music or another recognized national or regional conservatory.

Participants are asked to respectfully consider the issue of cultural appropriation when choosing selections.

Local festival adjudicators will be responsible for determining if ungraded works fall within the parameters of the class requirements. All other technical questions such as whether a musical is from a staged musical, memorization, appropriateness of spoken introductions, overall suitability of selections for the student, artistic interpretation, etc. would remain at the discretion of the national adjudicators.

Competitors are allowed to make brief introductory remarks for some, or all, of their selections performed in competition, if desired. Introductory remarks are included in their overall performance time.

RECORDING AND PERFORMANCE REGULATIONS – ALL CLASSES IN THE LSQR ARE VIRTUAL

Professional recordings are not required for the competition, but good audio and visual quality are very important. The quality on most cell phones is adequate.

1. Video recording can be done in a home, studio, or other location
 - Must include a clear picture of the student performing showing face or facial profile, hands [in the case of pianist and instrumentalist], and instrument
 - One-take recording
 - Editing or splicing in any form is strictly prohibited
 - Camera angle must remain consistent throughout the performance

- The complete performance of all pieces should be performed consecutively on one video without stopping the camera during breaks. Please be aware of the time limits.
2. Video file is uploaded to a private YouTube channel as an 'unlisted' video. These videos can only be viewed by someone with the link.
 3. A PDF file of the score for each selection performed is to be named with the same naming convention *Discipline_Level_LocalFestival_ClassNumber_CompetitorName_Selection_Composer* and uploaded to Google Drive.
Example: Piano_Junior_Moncton_202_JaneSmith_Prelude No. 6_JohannSebastianBach
 - The PDF must include the cover and/or title page of the book and all pages of music performed in the competition
 - Submitted scores MUST contain clear measure numbering.
 - If the selection score is a digital download, the receipt for digital purchase or proof of Public Domain must be included in the PDF file.
 - All copyrights must be observed.
 - Junior and Intermediate competitors must submit original solo part scores of music.
 - Advanced competitors must submit an original score containing both solo and accompaniment.
 4. Recorded entries must be submitted online on or before the **June 3 deadline** and must include:
 - The recording for the complete performance named as outlined in #2 above
 - A clear, scanned copy of each score as outlined in #3 above
 - A headshot photo of the competitor submitted as a jpeg or png file

Competitors playing with a score in Woodwind, Brass, Percussion, and Chamber classes must perform from original scores. Memorization of String sonatas is not required. Memorization requirements are listed in class descriptions. Failure to play from memory in required classes will result in disqualification.

In Junior and Intermediate classes, transposition is permitted, unless otherwise noted, but the performance key must be indicated on the submitted score. In Advanced classes, the submitted score must be in the performance key.

The accompanist must have an original score on the stage. Accompanists are permitted to use digital scores on tablet computers such as iPads, provided they can clearly show upon registration that copyright laws have been observed.

Time limits for classes listed in the syllabus must be adhered to. Timing shall be from the first word or note to the last word or note, including pauses between pieces and costume changes. Performances exceeding the time limit will be disqualified. Overtime performances will not be interrupted, and official timekeepers will provide no warnings or signals.

Competitors disqualified from the competition for any reason including, but not limited to playing with music, use of photocopied music, or being over time will:

1. Be disqualified from award placement, even if they are the lone competitor in a class.
2. Be disqualified from receipt of award monies.
3. Be disqualified from advancing to the FCMF National Music Festival in the current year.
4. Receive their adjudication comments and Participation Certificate.

Competitors are:

- Strongly encouraged to attend all events, such as competitor orientation, and adjudication workshop/masterclass, if offered.
- Allowed the number of performance minutes outlined in their class description. Exceeding the time limit will result in disqualification. The performance time begins with the first note/word and ends with the last note/word.
- Advised to reflect a variety of styles and periods in their choice of repertoire. They are also encouraged to use compositions by Canadian and Indigenous composers in their performances.

FCMF NATIONAL MUSIC FESTIVAL

*Competitors entering classes eligible for advancement to the FCMF National Music Festival are **STRONGLY** encouraged to read the FCMF National Music Festival Syllabus to guide their selection of repertoire at the Local Festival and LSQR. <https://www.fcmf.org/syllabus/>*

The competitor's signature is required on a national entry form confirming non-professional status. It is recommended that Local Festivals also have competitors verify, by signature, their non-professional status.

Local Festival

Adjudicators at the Local Festival may choose, in each of the Choral or Ensemble categories, TWO groups that are deemed to be of National standard. The competition is based on the performance of TWO CONTRASTING SELECTIONS, only ONE of which may include brief solo or solo ensemble passages. A signed recommendation along with recordings and a digital copy of the music scores must be submitted to the LSQR Administrator.

Local Stream Qualifying Round

Groups submitting recordings to the LSQR level of competition must perform the same selections on which they were recommended by the adjudicator at the Local level. Adjudicators at the LSQR level may choose, in each category submitted, **two** groups that are deemed to be of a national standard.

The adjudicator for the LSQR is allowed to send 2 extra groups, chosen from across the classes within each section [choral, chamber ensembles, bands, orchestras], with no more than one extra submission per class.

National Festival

Groups submitting recordings to the National level of competition must perform the same selections on which they were recommended by the adjudicator at the Local and LSQR levels. Performances are adjudicated, and the participants are notified.
