Entry Deadline: June 2, 2026

Presented by

WHAT'S NEW IN 2026

1. Participants are asked to respectfully consider the issue of cultural appropriation when selecting repertoire. To assist with understanding cultural appropriation, the following definition is provided as a guide.

“Cultural appropriation applies when cultural borrowings or adaptations from a minoritized culture reflect, reinforce, or amplify inequalities, stereotypes, and historically exploitative relationships that have direct negative consequences on equity-seeking communities.” [Canada Council Website]

<https://canadacouncil.ca/funding/funding-decisions/decision-making-process/application-assessment/context-briefs/cultural-appropriation>

2. Addition of a clarifying statement to the preliminary text for Class 1200 Piano Solo

One or more movements of a concerto at the comparable concert level are permitted in junior, intermediate, and advanced classes.

3. Addition of a clarifying statement to the text for Class 1400 Classical Guitar Solo

Piano accompaniment is permitted, ~~when applicable~~ if indicated in the score.

4. Addition of clarifying statements to the preliminary text for Class 1800 Musical Theatre Solo

- *Spoken passages are allowed only if published in the original script/score. The text must be supplied to the adjudicator if the submitted score only indicates cues for the text.*
- *All selections are to be from a staged musical, sung from a published score, and in the published key.*
- *Junior and Intermediate competitors may transpose to a different key as long as they indicate the performance key on the submitted score.*
- *Competitors may perform in a base costume and use costume enhancements [e.g., hat, scarf, jacket, shawl] and one hand prop per selection. Full costume changes between selections, including layering of costumes, are not permitted.*

5. Addition of clarifying text in the Chamber Ensemble Section

The majority of members in a chamber group must be in the class's listed age bracket. If there is no majority, then the average age of the members is used.

6. Addition of clarifying text in the Composition Section

- *The composition recommended from the Local Festival **must** be submitted. The title may be altered if the original title is indicated in brackets. The composition may incorporate suggestions received from the local festival adjudicator.*

IMPORTANT!

Local festival administrators should advise teachers and students to check the local, provincial, and national syllabi carefully when choosing music for festival entries. Administrators should also ensure their adjudicators are aware of class requirements when recommending students to the Local Stream Qualifying Round of competition.

2026 FCMF LOCAL STREAM QUALIFYING ROUND SYLLABUS

Local Stream Qualifying Round for Territories, Western Provinces, and Ontario

June 11-16, 2026 | Entry Deadline: June 2, 2026

Students recommended from affiliated local festivals in the Western Provinces and Ontario can seek a recommendation to the FCMF National Music Festival through the FCMF Local Stream Qualifying Round. The requirements for this virtual qualifying process are the same as for the provincial festivals, as outlined in this syllabus.

For more information on access to the FCMF National Music Festival through the Local Stream Membership Option and Qualifying Round, contact FCMF Executive Director Barbara Long at info@fcmf.org

The Local Stream Qualifying Round is a virtual competition for recommended students or ensembles from Local Festivals affiliated with FCMF through the Local Association Membership Class to seek recommendations for the FCMF National Music Festival.

The Federation of Canadian Music Festivals Board of Directors governs the Local Stream Qualifying Round. It is administered by FCMF staff and/or volunteers.

Participants at the FCMF National Music Festival will represent the Local Stream Qualifying Round, not their province. Recognition of the local festival will be consistent with those of provincial associations.

ELIGIBILITY

Local festivals affiliated with FCMF through the Local Association Membership Class may determine who represents them at the Local Stream Qualifying Round [LSQR] in one of two ways:

1. The Local Festival can add the LSQR classes to their syllabus, and students or ensembles enter those classes if they are interested in being eligible for the LSQR. The local adjudicator would determine which student[s] or ensemble[s] should represent the festival in each class.
2. The local festival adjudicator could choose a student[s] or ensemble[s] from the appropriate grade and/or age levels for each class, making sure they have the eligible repertoire to meet the requirements of the class for which they are being recommended.

A sufficiently high standard of performance is required at the local festival for a recommendation to the [LSQR].

To be eligible to advance to the FCMF National Music Festival from LSQR, the competitor[s] must be residing in Canada or studying in Canada.

A local festival may send **TWO** competitors in each of the LSQR Developing Artist Stream, Emerging Artist Stream, Ensemble Stream, and Composition Stream classes.

Local Festival adjudicators may recommend **TWO** competitors in each Non-Competitive Education Stream class **directly** to the FCMF National Music Festival.

Local festivals are encouraged to have their adjudicator name one or more alternate competitors and complete the necessary

paperwork, in case the first-choice competitors are unable to participate for any reason.

In disciplines with age requirements, the competitor's age will be determined as of December 31 before the LSQR. Local festivals must obtain proof of age if requested.

Participation is limited to non-professional musicians. A non-professional musician is defined as a person whose principal means of livelihood is not obtained from the performance of music in the category in which they are competing. This stipulation does not, however, preclude such a person from having occasionally received remuneration for musical services rendered, even in the area in which he or she is competing.

Competitors may only be recommended to the LSQR from ONE local festival per discipline. Each competitor must accept or decline a recommendation from a local festival within 48 hours.

The designated entry fee is non-refundable unless FCMF declines the entry. Once an entry has been accepted, no changes to the repertoire will be allowed unless required by the national office.

Alternates

Adjudicators may recommend alternates in any class if the standard of performance is met. If a registered competitor is unable to participate, the named alternate can replace the competitor. As much notice as possible should be given to the alternate and the FCMF office.

Entry fees are non-refundable unless an alternate has been named and registered. The original entry fee, less a \$25 administration fee, will be reimbursed to the originally registered participant. The alternate will be required to pay the entry fee in full prior to participation.

For Chamber ensembles, if a recommended competitor from the Local Festival level is unable to participate at the LSQR level, they can be replaced by an alternate. There is a maximum of one substitution permitted for each Chamber group.

REPERTOIRE

Participants are asked to consider the issue of cultural appropriation respectfully when choosing selections: "Cultural appropriation applies when cultural borrowings or adaptations from a minoritized culture reflect, reinforce, or amplify inequalities, stereotypes, and historically exploitative relationships that have direct negative consequences on equity-seeking communities."

<https://canadacouncil.ca/funding/funding-decisions/decision-making-process/application-assessment/context-briefs/cultural-appropriation>

The **minimum** repertoire requirements to be performed at the LSQR, as outlined in the LSQR Syllabus, **MUST** have been heard by the recommending adjudicator at the Local Festival. This may be in a specifically designated LSQR/National Class or through a combination of performances in classes at the Local Festival. Competitors may add additional movements of their multi-movement works, and/or additional selections within the maximum time.

A Concerto or Concerted Work is defined as any composition written for a solo instrument with orchestral accompaniment.

Sonatinas, Sonatas, and Concertos can be from any music time period, as per syllabus requirements. A one-movement Sonatina or Sonata meets the requirements for Junior and Intermediate levels.

A selection is a composition or song cycle meant to be one body of work, as the composer indicates. Competitors may perform partial or complete works based on syllabus requirements and time restrictions. A second selection cannot be another movement or song from the same work.

In disciplines with graded repertoire requirements, competitors must indicate on their entry form the syllabus from which they determined the level of difficulty of their repertoire. Syllabi accepted as references for the LSQR are the Royal Conservatory of Music [RCM], Conservatory Canada [CC], or any other recognized national or regional conservatory syllabi.

To encourage the use of new music and preserve objectivity, we will also accept grading letters from the Royal Conservatory

of Music or another recognized national or regional conservatory.

Local festival adjudicators will be responsible for determining if ungraded works fall within the parameters of the class requirements. All other technical questions, such as whether a musical is from a staged musical, memorization, appropriateness of spoken introductions, overall suitability of selections for the student, artistic interpretation, etc., would remain at the discretion of the national adjudicators.

Competitors are allowed to make brief introductory remarks for some or all of their selections performed in competition, if desired. Introductory remarks are included in their overall performance time.

RECORDING AND PERFORMANCE REGULATIONS – ALL CLASSES IN THE LSQR ARE VIRTUAL

Professional recordings are not required for the competition, but good audio and visual quality are very important. The quality on most cell phones is adequate.

1. Video recording can be done in a home, studio, or other location
 - Must include a clear picture of the student performing, showing face or facial profile, hands [in the case of pianist and instrumentalist], and instrument. A view of the full stage is required for Musical Theatre recordings.
 - One-take recording
 - Editing or splicing in any form is strictly prohibited
 - Camera angle must remain consistent throughout the performance
 - The complete performance of all pieces should be performed consecutively on one video without stopping the camera during breaks. Please be aware of the time limits.
2. A video file is uploaded to a private YouTube channel as an 'unlisted' video. These videos can only be viewed by someone with the link.
3. A PDF file of the score for each selection performed is to be named with the same naming convention: *Discipline_Level_LocalFestival_ClassNumber_CompetitorName_Selection_Composer* and uploaded to Google Drive.
Example: Piano_Junior_Moncton_202_JaneSmith_Prelude No. 6_JohannSebastianBach
 - The PDF must include the cover and/or title page of the book if the selection comes from a book, and all pages of music performed in the competition
 - Submitted scores MUST contain clear measure numbering.
 - If the selection score is a digital download, the receipt for digital purchase or proof of Public Domain must be included in the PDF file.
 - All copyrights must be observed.
 - Junior and Intermediate competitors must submit original solo scores of music.
 - Advanced competitors must submit an original score containing both solo and accompaniment.
4. Recorded entries must be submitted online on or before the **June 2 deadline** and must include:
 - The recording for the complete performance named as outlined in #2 above
 - A clear, scanned copy of each score as outlined in #3 above
 - A headshot photo of the competitor submitted as a JPEG or PNG file

Competitors playing with a score in Woodwind, Brass, Percussion, and Chamber classes must perform from original scores. Memorization of String sonatas is not required. Memorization requirements are listed in class descriptions. Failure to play from memory in required classes will result in disqualification.

In Junior and Intermediate classes, transposition is permitted, unless otherwise noted, but the performance key must be indicated on the submitted score. In Advanced classes, the submitted score must be in the performance key.

The accompanist must have an original score on the stage. Accompanists are permitted to use digital scores on tablet computers such as iPads, provided they can clearly show upon registration that copyright laws have been observed.

Time limits for classes listed in the syllabus must be adhered to. Timing shall be from the first word or note to the last word or note, including pauses between pieces and costume changes. Performances exceeding the time limit will be disqualified. Overtime performances will not be interrupted, and official timekeepers will provide no warnings or signals.

Competitors disqualified from the competition for any reason, including but not limited to playing with music, use of photocopied music, or being over time, will:

1. Be disqualified from award placement, even if they are the lone competitor in a class.
2. Be disqualified from receiving award monies.
3. Be disqualified from advancing to the FCMF National Music Festival in the current year.
4. Receive their adjudication comments and Participation Certificate.

Competitors are:

- Strongly encouraged to attend all events, such as competitor orientation and adjudication workshop/masterclass, if offered.
- Allowed the number of performance minutes outlined in their class description. Exceeding the time limit will result in disqualification. The performance time begins with the first note/word and ends with the last note/word.
- Advised to reflect a variety of styles and periods in their choice of repertoire. They are also encouraged to use compositions by Canadian and Indigenous composers in their performances.

FCMF NATIONAL MUSIC FESTIVAL

Competitors entering classes eligible for advancement to the FCMF National Music Festival are **STRONGLY** encouraged to read the FCMF National Music Festival Syllabus to guide their selection of repertoire at the Local Festival and LSQR. <https://www.fcmf.org/syllabus/>

The FCMF National Music Festival is open to *non-professional musicians who are:

- i. Eligible according to the class description
- ii. Stated ages as of December 31 preceding the festival

- iv. Living or studying in Canada, who perform at festivals affiliated with Local and Provincial Music Festival Associations

*A non-professional musician is defined as a person whose principal means of livelihood is not obtained from the performance of music in the particular category in which they are competing. This stipulation does not, however, preclude such a person from having occasionally received remuneration for musical services rendered, even in the area in which they are competing. The competitor's signature is required on a national entry form confirming non-professional status. It is recommended that Local Festivals also have competitors verify, by signature, their non-professional status.

Please refer to the 2026 syllabus of The Federation of Canadian Music Festivals for more complete rules governing these classes. It is available at <https://www.fcmf.org/syllabus/>

Competitors recommended by the LSQR adjudicators to the FCMF National Music Festival will have 48 hours to accept or decline the recommendation.

Chamber Ensembles - #LS9200 [9201-9203]

Band - #LS9300 [9301-9304]

PROCESS

The competition is conducted at three progressive levels:

Local Festival

Adjudicators at the Local Festival may choose, in each of the Choral or Ensemble categories, **TWO** ensembles that are deemed to be of National standard. The competition is based on the performance of **TWO CONTRASTING SELECTIONS**, only **ONE** of which may include brief solo or solo ensemble passages. A signed recommendation, along with recordings and a digital copy of the music scores, must be submitted to the LSQR Administrator.

Local Stream Qualifying Round

Ensembles submitting recordings to the LSQR level of competition must perform the same selections that the adjudicator at the Local level recommended. Adjudicators at the LSQR level may choose, in each category submitted, **TWO** ensembles that are deemed to be of a national standard.

The adjudicator for the LSQR is allowed to send **two extra** ensembles, chosen from across the classes within each section [choral, chamber ensembles, bands, orchestras], with no more than one extra submission per class.

National Festival

Ensembles submitting recordings to the National level of competition must perform the same selections on which the adjudicator at the Local and LSQR levels recommended them. Performances are adjudicated, and the participants are notified.

ADJUDICATORS

FCMF engages nationally and/or internationally known musicians to adjudicate the National Music Festival.
