WELCOME TO EDMONTON

Welcome everyone to the 2016 Federation of Canadian Music Festivals Annual General Meeting and National Music Festival in Edmonton – Alberta's beautiful capital city. The events will be held at Grant MacEwan University's Alberta College, historic McDougall United Church, the Edmonton Journal's Office Building, and the official festival hotel the Chateau Lacombe – all within a five minute walk of one another and located above the North Saskatchewan River Valley. There are several nearby restaurants and the Edmonton City Centre Mall is two blocks away. Connection to other parts of the city is easily accessible from the LRT Central Station.

Edmonton is proud to be known as Festival City as there are many summer festivals before, during, and after the FCMF Festival – so you may wish to extend your stay. (For example, check out the Edmonton Heritage Festival and the Edmonton Fringe Festival, among others.)

Our host committee has been busy planning events like the Welcome Night, the Dutch Auction, the Competitor Briefing Reception, the

Federation Dinner, the Host Night (60's style attire, music and dancing – make sure to bring a costume!), the post-Grand Award Concert Reception, and recruiting volunteers. The Parlour Room in the Chateau Lacombe will be available certain evenings for BYOB Mix 'n' Mingle. We look forward to meeting returning and new attendees in August.

Committee

PRESIDENT'S WELCOME

For the first time since 1980 when the Federation held its National Festival in conjunction with the CNE in Toronto, the Festival will be in the same city for two consecutive years. The Alberta Host Committee has once again been busy making arrangements to host competitors, delegates and guests from all across Canada. Facilities in Edmonton are not only eminently suitable, but extremely convenient. For those who may be new or unfamiliar with Edmonton, practice and competition venues and the Festival hotel are just across the street from one another. All facilities are in downtown Edmonton – so eating and shopping facilities are within easy walking distance. If shopping is not of interest then perhaps a walk along the edge of the North Saskatchewan River Valley will appeal to you. It's just across the street.

This Festival year began with a very sad event for our organization. Marilyn Wiwcharuk, who was not very well last August, and after a very brave and determined fight against cancer, succumbed to the disease early in 2016. I was honoured to represent the Federation at her service in the Anglican Cathedral in Kamloops. There was much music – piano, vocal and string – and a church full of friends and family acknowledging Marilyn's contribution to the advancement of music and music education in Kamloops, in British Columbia, and across Canada. The family graciously granted permission for me to say a few words about Marilyn's contributions to the Federation.

As delegates and participants prepare for the upcoming National Festival, it is a good time to reflect a little on the

numbers of individuals who participate in each of the local festivals across this country. Those participants may be the performers who meet in Edmonton in August. But, participants are also those individuals who year after year organize festivals in their communities, small and large, in every province, ensuring that opportunity for performers is available in over two hundred thirty centres. This is where the real action takes place. No matter how small the community or the festival, one of those performers may emerge as the Grand Award Winner building on the possibilities afforded as a festival participant in a local festival.

NOTICE OF MEETING

FEDERATION OF CANADIAN MUSIC FESTIVALS Annual General Meeting – 2016

This is a notice to all members of the Federation of Canadian Music Festivals that the 2016 AGM will begin August 9, 2016 at 9:00 a.m. in the River Valley Room of the Chateau Lacombe in Edmonton, AB. Agenda will follow closer to the meeting.

NOTICES OF MOTIONS

I. NOTICE OF MOTION: BY-LAW REVISION

(Submitted by the Da Capo Committee)

Acting on the authority of the 2015 AGM, the Da Capo Committee (working name for the committee appointed last year to propose changes to the Federation) submits the following notice of motion for consideration at the 2016 Annual General Meeting.

1. The Board of Governors shall be constituted as follows:
 - a. One member from each province selected by each province in a manner deemed appropriate in that province. Each province will name a member and an alternate. The alternate may fulfill the role of the member at any time the member cannot participate
 - b. The President
 - c. The Past President
2. Officers of the Federation shall be:
 - a. The President elected by the Board of Governors. The province from which the President is elected shall

name another individual from that province to be its member on the Board of Governors.

- b. The Vice President elected by the Board of Governors
- c. The Past President
- d. The Treasurer elected by the Board of Governors

3. Executive Director:

- a. The Executive Director is required to attend board meetings as part of the mandate of the position. The Executive Director shall manage the day to day affairs and carry out the policies of the Association under the direction of the Board of Governors and shall report to the President. The Executive Director shall have privilege of voice but not vote.

4. Voting privileges:

- a. Each provincial member shall have one vote
- b. The Past President shall have one vote
- c. The President shall vote only to break a tie

5. Terms of Members and Officers:

- a. Each officer may serve a maximum of two, two-year (total of 4 years) terms in any position and a maximum total of four, two-year (total 8 years) terms in a combination of any officer positions, excepting the Past President who may remain if required to complete a term.
- b. All members not serving as an officer serve terms at the pleasure of

- their provincial associations.
- c. A vacancy in an officer position shall be filled by the election of another member of the Board of Governors.

6. Implementation:

- a. This by-law, subject to stipulations of Federal law, shall become effective August 1, 2017.

II. **NOTICE OF MOTION: CHANGE TO PERCUSSION CLASS REQUIREMENTS**

(Submitted by Carol Donhauser)

Provincial Festival

Competitors must perform **two selections**.

(delete the requirement for multi-movement as percussion repertoire is limited and is restricting percussionists from entering)

1. One work for Keyboard Percussion (e.g. marimba, vibraphone, xylophone)
2. One work for Timpani or Multi-percussion or Snare Drum

National Festival

Competitors must perform **three selections**, works must include: (1) Keyboard percussion, (2) Timpani, and (3) Multi-percussion or Snare Drum.

1. One work for Keyboard Percussion (e.g. marimba, vibraphone, xylophone)
2. One work for Timpani or Multi-percussion or Snare Drum
3. One own choice

For multi-instrument works and snare drum,

memorization is encouraged but not required. All other works must be memorized.

Rationale:

At the provincial level, competitors are required to play **TWO** selections, and must include works on '**Marimba**' and on '**Timpani or Snare Drum**', yet note #2 says that one of them has to be a multi-percussion work. This can't really work because multi-percussion is actually another instrument category like marimba, timpani or snare drum. Some multi-percussion pieces may include marimba, some may include timpani and some may include snare drum, but the current wording almost eliminates the possibility of performing on marimba AND timpani, as the requirements suggest.

Competitors will end up having to play "**marimba and multi-percussion**" or "**timpani and multi-percussion**" because there are very few multi-percussion works that include marimba or timpani. A greater percentage of multi-percussion works do include snare drum. It seems as if we may be mistaking the multi-percussion (an instrument category) for multi-movement (a composition category). You can ask for a marimba piece that is 'multi-movement' but it is silly to ask for a marimba piece that is 'multi-percussion'.

The winning Percussionist at nationals should be the one to show greatest proficiency on '**Marimba**' (or other keyboard percussion) **AND** '**Timpani**' **AND** '**Multi-percussion or Snare Drum**'. They could demonstrate **ONE** of these at the local level, **TWO** at the provincial level, and all **THREE** at the national level, but it is very confusing to say that one of the national level pieces should be multi-percussion without mentioning that one should also be marimba and one should also be timpani.

III. NOTICE OF MOTION: TO AMMEND CLASS 9 MUSICAL THEATRE SYLLABUS TO CLARIFY THAT THE TIME PERIODS REFER TO THE WHOLE MUSICAL – NOT MERELY THE EXCERPTED SELECTION

(Submitted by Robin Norman)

CLASS 9 – MUSICAL THEATRE SOLO, ANY VOICE

All selections are to be sung from a published score, in any published key (no transposition), of a staged musical and be gender/voice type appropriate. Competitors may use: costumes, one (1) hand prop per selection (a table, chair, and coat rack is provided). Spoken passages are allowed only if published in the script/score provided. The original copy can be the Broadway score, from an Anthology, or purchased online. Proof of purchase must be shown for all online purchases. **Please note: the time periods stated should represent the period in which the musical was published not the individual piece.**

IV. NOTICE OF MOTION: TO REMOVE ANY REFERENCE TO GENDER OR AGE FROM THE CLASS 9 MUSICAL THEATRE SYLLABUS

(Submitted by Robin Norman)

CLASS 9 – MUSICAL THEATRE SOLO, ANY VOICE

All selections are to be sung from a published score, in any published key (no transposition), of a staged musical ~~and be gender/voice type appropriate~~. Competitors may use: costumes, one (1) hand prop per selection (a table, chair, and coat rack is provided). Spoken passages are allowed only if published in the script/score

provided. The original copy can be the Broadway score, from an Anthology, or purchased online. Proof of purchase must be shown for all online purchases.

V. NOTICE OF MOTION: INCREASE IN AFFILIATION FEES

(Submitted by Norma Jean Atkinson)

Whereas: the Federation of Canadian Music Festivals will soon be without its current fundraiser and,

Whereas: some donors have already expressed an intent to withdraw their financial support and,

Whereas: financial resources available in many areas of the country and in many corporations is dwindling:

Therefore: BE IT RESOLVED that: affiliation fees be increased by \$0.75 per music entry for a three year period beginning with the levy calculated on the statistical reports for the 2017 local festivals.
